

Be a friend to the friends of Jesus

"When God wanted to communicate with human beings, He didn't hire a skywriter to fill the air with messages. He didn't send us a tract from heaven. Rather, God communicated to us by becoming human and dwelling among us"
John 1:17 (adapted)

People will remember a person and an experience a lot longer than a word. Let them experience a living word by the way we live.—RD

'Go throughout the world preaching the Gospel, and use words if you have to.' -
Francis of Assisi

What others have said:

"I didn't like the thought of this evangelism thing but now I think I want to give it a go"

"New ideas and old themes that are both practical and possible"

"I have never considered my self an evangelist but I feel I can do this now"

The important questions are:

What is God saying to you about your church and the direction he wants you to take?

How can we assist you in achieving some aspect of this?
